

**WE ARE IN THE MIDST OF
A LIFE-THREATENING
CLIMATE EMERGENCY!**

**A Community Conversation on Climate Action
facilitated by 350Marin and Sustainable Fairfax**

**The Town of Fairfax will consider approving a Climate
Emergency Resolution on January 16th.**

Will it just be a meaningless document?

How will we act upon this resolution?

**Shouldn't every city, county, and state also declare a climate
emergency?**

Speakers:

- Peter Lacques, JD, former Mayor and current Fairfax Town Council Member and liaison to the Fairfax Climate Action Committee
- Renee Goddard, Town Council Member and Vice President of Sustainable Fairfax
- Community Members who want to make a difference--You??
