[October 26: 2023 Marin Green Home Tour](#)

[November 4: No Costco March/Rally](#)

[Next Steering Committee Meeting: Nov 7](#)

Congratulations to the winners of the Clean Air Day poster contest! 350Marin in partnership with the Town of Fairfax sponsored a Marin High School Youth Poster Contest to promote the 6th annual Clean Air Day on Oct 4th. This contest was funded by a grant from the CA Clean Air Coalition. Each entry was awarded \$200 and will be displayed in the Fairfax Library this week, also available to view online [here](#).

If you're new to Marin County, or new to climate action and would like to learn more, then you're in luck! **We have been working on an [\(In\)Complete Guide to Climate Action](#) to help you get started.**

Upcoming Actions & Events

November 4: No Costco Mega Gas Station Novato March/Rally

Let's unite and voice our opposition to a Mega Gas Station being built on the Global Power Up Day organized by [350.org](#).

[350 Marin](#) and [350 Bay Area](#) are joining forces and inviting you to get together for a march/rally. Let's make a great and colorful showing. We will have speakers first and then march with our signs through the Vintage Oaks to Costco and back.

Sign up for the event [here](#) or visit our No Costco Mega Gas Station [campaign page](#) for more info.

October 26: 2023 Marin Green Home Tour

This year's free, virtual Marin Home Tour features video tours of 6 Marin homes, followed by live Q&As with the homeowners. Experts will be lingering in the Zoom chat, ready to answer all your questions. **Learn more & register [here](#).**

November 2-16: Green Home Improvements Webinar Series

The Marin County Sustainability Team is hosting a webinar series that will bring you subject matter experts to do "deep dives" on green home improvements. **Register [here](#).**

Planning a Home Efficiency/Electrification Project?

Check out these two free webinar events to learn from your neighbors and hear from subject matter experts on green home improvements and funding opportunities.

Get Inspiration!

How are Marin neighbors adapting their homes to combat climate change, improve air quality, generate clean energy, and move towards a safer, healthier, greener, more resilient future?

This year's free, virtual Marin Home Tour features video tours of 6 Marin homes, followed by live Q&As with the homeowners. Experts will be lingering in the Zoom chat, ready to answer all your questions.
